

Altar Guild Report for 2011

During the year of 2011 the Altar Guild worked with four teams of members to serve the church.

No new purchases were made and no new members were added to the teams. The sacristy was thoroughly cleaned and reorganized.

We have a couple members who can only participate part-time but we are managing to cover the various services as needed.

In the coming year we hope to add some new members.

Respectfully submitted,

Connie Khinoo-Olsen
