

Church of The Ascension's Softball Team Review 2011

All games were played at the Chancellors Run Regional Park. Prior to the season's starting; organizational meetings were held and attended by George Merchant representing Ascension. Like last year a fee of \$250.00 was charged by Parks and Recs to gain membership into the church league. Donations were made by some gracious "athletic supporters" to defray this cost.

2011's season consisted of 12 games, with a record of 8 losses and 4 wins.

We had some very glowing moments at each game; regardless of winning or losing, Ascension played very well. We had some comedy, and sadly some drama with a few injuries during the season for great players. The switch to all wooden bats has proven to make the games a bit safer yet as in every sport there is always a chance for injury. Ascension's goal in being a part of this league is showing fellowship and simply good clean fun. Spectators are always welcomed if playing the sport is not ones cup of tea. Spectators and players make up Ascension's team. Though scores are not always in our favor no one takes away our gusto for fun or our showing of good sportsmanship, and zest for fellowship.

2012's Season will begin sometime in May. Sure hope familiar faces and new ones will join us on the field this year.

<>< Sincerely, Team Mom, Marsha/Swampie Jan 9th 2012 <><
