

Church of the Ascension ECW 2012 Review

February 12th found us meeting to discuss what all may be taking place in the upcoming year. We only meet every other month and had taken a breather after having come off of a busy 2011. Ideas and suggestions are always brought up to be considered as we move along each year.

Clean up the Church Day suggested for March 10th and followed through by those that could attend.

Women's Club Luncheons were discussed. In the past this has been a very cost effective project, however seeing how our church population is now made of mostly all working parents and couples it is difficult to draw the people power needed to follow through on these events. It has always been a precious few able to do the work. Dana Davis has led these luncheons and the Lion's Club Dinners with a very select few.

Souper Sundays Continue weekly. As always volunteers are sought

Three Oaks food needs are still looking for volunteers to sign up to take food to the facility. Food only is required prep is done there by workers.

Noted the ECW purchased some **Levas Hymnals** and had sent in dedications for the books, hoping to see those labels in the books soon.

Events worked on during this past year have been

Wedding Anniversary Celebrations for Father & Jessie Daugherty's 55th and for Marie & George Hammond's 70th

In Nov. Also Ascension said goodbye to **Father CRC Daugherty life celebration** held jointly with Ascension and St. Andrews. We also said good byes to **Maria Morgan** at Ascension, yet ECW was not instrumental in this celebration. Many thanks to the people of the church who aided with ushering, parking lot attendees etc. and Lexington Park Rescue Squad and Fire Dept.

Dec 8th. **Santa's Cookie Shoppe** took place. Seemed a fun event and perhaps one more try may take place. Also send funds for **adopt a child** Olivia in Guatemala. Respectively Submitted by: Marsha Merchant ECW may not do everything, but we are sure willing to help with it all. 😊
